TRADITIONAL ROUTE !! only 1sting in place on R1

Access: From Bivouac go upstream and gain the gully just around corner. Ascend gully till you gain footpath and then follow this till the cave (2 person bivouac) traverse to base of wall and follow obvious ledge systems (II/III) till you reach a set of three trees under a chimney & a roof. Belay from here (7-30 min from cave)

Descent: Follow the ridge south ^{east} and up till you reach the first gully. Here make a rappel (40m!) from a big tree, cordelette is in place. Then follow the ledge northwest till you gain the footpath (4-1hr 30)
